Homeless Encampment

Location: Church's Chicken | Anaheim & Orange - April 9, 2020

Homeless encampment was observed growing in number at the Church's Chicken empty lot (Golden Boy Mural). Long Beach Police was called numerous times to reduce the number of homeless individuals encamped. At the time of Service Calls placed before April 9, LBPD was unable to enforce no trespassing due to no visible or proper No Trespassing signage. Long Beach Code Enforcement, Long Beach Police Department, LBPD Quality of Life Team, Long Beach Clean Team, and the Church's Chicken management team were observed meeting on the date above. The 602 No Trespassing application and proper signage was provided.

Church's Chicken now have two 602 No Trespassing activated. One for CLOSED TO THE PUBLIC and one for CLOSE TO THE PUBLIC between 11:00 PM to 9:00 AM.

LBPD Quality of Life Officer Tith and Navarro are actively providing outreach.

Church's Chicken was also observed to have illegal dumping in the empty lot of the Golden Boy Mural. Executive Director Mono was able to collaborate with Vice Mayor Dee Andrews Chief of Staff (Isabel Arvea) to provide two No Dumping signs.
